Two overlapping screenshots of the Firebase Cloud Firestore console interface.

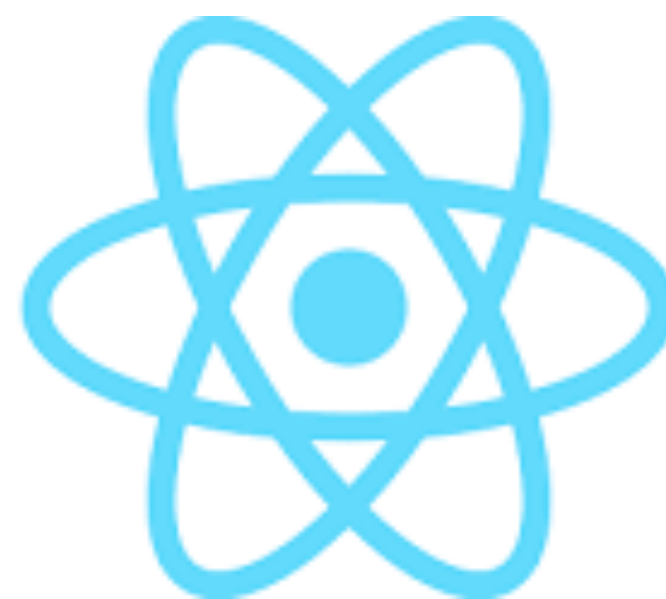

Top Screenshot: Shows the "Data" tab for a collection named "MyList". The breadcrumb path is "MyList > admin@admin.p.". The table displays the following data:

Collection	Document
MyList	admin@admin.pl
Rating	
conversations	

Bottom Screenshot: Shows the "Data" tab for a collection named "Rating". The breadcrumb path is "Rating > OL19714267W". The table displays the following data:

Collection	Document
Rating	OL19714267W
conversations	

The interface includes a left sidebar with navigation icons, a top header with the "Cloud Firestore" title and tabs for "Data", "Rules", "Indexes", and "Usage", and a right sidebar with a "Go to docs" link and a notification bell.

Do zobaczenia
na rekrutacji ;)
